Laithwaite's

..... WINE

Celebrating 50 years

WHERE IT ALL BEGAN ...

50 years ago I took a job at a Bordeaux winery where they made truly great wines. I loved the way everyone's lives were totally wrapped around making THE BEST wine possible.

At the time there was a lot of wine fraud in the UK. So I started bringing back the 'real quality stuff' to my first ever customers. Then I wrote to the papers and lots more people wanted a taste. I borrowed a van, collected my special wines, delivered them – and things really took off.

Today we still know all our winemakers personally and understand the likes of every customer. Wine, done right, really is such a personal thing; it's best that way.
