# Perfect PAIRINGS POP-UPS

*Our starting point for wine and food pairing is simply 'what grows together, goes together'. Local specialities so often have a synergy that ensures an extra dimension of pleasure. But this isn't set in stone – there are variations aplenty as you'll see! Meet us for a ten-minute session (times on the right) with our wonderful artisan food and spirits producers for some top tips on summer sips, snacks and sharing boards.*
