The Fine Wine Room made its Vintage Festival debut in 1999 and has been one of the show's major attractions ever since. Today's tasting promises to be extra special but reveals just one layer of our range. We have many more fine bottles and rare vintages available.

OUR SERVICES

Quality advice – In the complex world of fine wine, a little impartial advice from an expert can make all the difference. For tips on vintages, value, or the sheer deliciousness of one wine versus another, talk to our Fine Wine Team.

En Primeur – En primeur or pre-release is a canny way to secure, at ‘ground floor’ prices, some of the world’s most sought-after wines. Every year we publish offers from Bordeaux, Burgundy, the Rhône, Spain, Australia and elsewhere.

Here’s how it works: Buying en primeur secures your allocation of the most sought after wines and at opening prices. If you are interested in receiving current offers and information please get in touch with

Dan, Stew, Jeff or Alex on **03330 148 202** or email finewine@laithwaiteswine.com.

Fine Wine Storage – We can also store your most precious bottles in our secure, climate-controlled cellar in Gloucester. The cost is just £10.80 per case per annum. For anyone buying en primeur, we are able to keep your wine under bond, thereby delaying the payment of duty and VAT until you take delivery. We are currently the custodians of over \$50 million worth of fine wine, held on behalf of our customers.

Fine Wine Broking Service – We now also offer a competitive broking service. If you have bought fine wines that are stored with us, we are able to undertake their sale on your behalf. Please ask the team for details.

For some of the best and friendliest advice in the business.
