La Porte des Princes Merlot 75cl, France

la Porte des Princes

Vines have been planted here since Roman times and in the middle ages, the region fell under the British rule of William of Orange. La Porte des Princes Merlot is crafted from the fruit of older vines, which yield full-flavoured, concentrated grapes. It has depth and complexity, with forest fruit characters supported by subtle green pepper and liquorice notes. Beautifully structured with a ripe, long finish, it's the ideal accompaniment for pasta dishes, grilled sausages and firm cheeses.
