Laithwaite's

WINE LIVE

Welcome to the first-ever Laithwaite's Live Scotland where you can get knee deep into the world of wines, beers and spirits and have a hell of a lot of fun at the same time. I know I do! This is your chance to discover some new favourites and to meet the absurdly talented people who make them.

I recommend you take a moment now to read this event guide and see just what's on offer. Plan ahead and you'll be sure to get the most out of your day.

Fancy a walk round a winery? Head over to see the guys at Le Chai au Quai and take the Virtual Reality tour. You can, as always, pick up some expert tips from our popular tasting theatre sessions. If you really want to get the party started head over to the RedHeads' tattoo parlour. You don't have to get 'inked' but the wine and the atmosphere are always rocking with those guys.

If you're like me you won't want to miss our brand new Gin and Whiskey stands, and if you get at all peckish we have olives, charcuterie and cheese for you too.

Make the most of today's special offers - you'll get the full price of your ticket back (£30) if you choose to order wine (12 bottles or more), PLUS spend £150 and you'll get a FREE £10 voucher to spend on your next purchase! If you have any questions, head to the Laithwaite's Orders & Info hub and ... while you're there ... vote for your Wine of the Show!

In conjunction with our friends at the Wine & Spirit Education Trust (WSET), we've divided the world's wines and the entire wine drinking population into four broad categories. So *where do you fit in?* See the floor plan on the back cover for the stand location.

Forward & Fruity

Fruity, juicy wines with gusto and ripe, tasty flavours. Great dinner party crowd pleasers.

Racy & Adventurous

For anyone looking for something a bit different, off the beaten-track or with a great story to tell. Definitely not your usual suspects.

Classy & Elegant

World famous, classic wines known for their complexity and subtle nature. Refined and restrained.

Turbocharged

Big, bold, juicy, dense, powerful, weighty and spicy. Warming, full bodied wines with concentrated ripe fruity flavours.

3 Easy Steps

1. Visit us at the WSET's Hub to take our short style-quiz. (See floor plan on the back.)
2. We will then reveal your style match with a two-letter Wine Personality Profiling Code and provide a fun photo opportunity.
3. Every bottle at the show has been labelled with a code so you can instantly recognise whether it's your kind of wine.

The Olive Store was founded in 2005 by Michael Derham, a university lecturer in Spanish, while on a trip to Spain to visit his students. As a Spanish speaker he was able to travel to the rural interior of Andalucía, to discover and bring home the authentic taste of rural Spain. Andalucía alone has the largest production of olive oil in the world especially using the famous Picual olives. The ham and chorizos are produced in Jabugo, a tiny, remote village world famous for its climatic conditions which make it perfect for curing ham from the local Ibérico black pigs.
