Laithwaite's

WINE LIVE

Welcome to Laithwaite's Live, our biggest wine party of the year where you can get knee deep into the world of wines, beers and spirits and have a hell of a lot of fun at the same time. I know I do! This is your chance to discover some new favourites and to meet the absurdly talented people who make them.

Check out my event guide on page 8 for tips on how you can get the most out of your day, whether that be taste profiling, taking a wine advisor tour or just working the room like a pro at your own pace in your own order.

Fancy a walk round a winery? Head over to see the guys at Le Chai au Quai and take the Virtual Reality tour. You can, as always, pick up some expert tips from our popular tasting theatre sessions. If you really want to get the party started head over to the RedHeads' tattoo parlour. You don't have to get 'inked' but the wine and the atmosphere are always rocking with those guys.

If you're like me you won't want to miss the Gin Emporium and if you get at all peckish we have olives, charcuterie, cheese and much more for you too.

Make the most of today's special offers and Christmas gifts from Wine and Beer advent calendars to gin baubles to hang on the tree (for a very merry Christmas). If you have any questions, head to the Laithwaite's Wine Hub and ... while you're there ... vote for your Wine of the Show!

WSET
WINE & SPIRIT
EDUCATION TRUST

Discover your wine personality

In conjunction with our friends at the Wine & Spirit Education Trust (WSET), we've divided the world's wines and the entire wine drinking population into four broad categories. So *where do you fit in?* See the floor map on the back cover for location.

Forward & Fruity

Fruity, juicy wines with gusto and ripe, tasty flavours. Great dinner party crowd pleasers.

Racy & Adventurous

For anyone looking for something a bit different, off the beaten-track or with a great story to tell. Definitely not your usual suspects.

Classy & Elegant

World famous, classic wines known for their complexity and subtle nature. Refined and restrained.

Turbo Charged

Big, bold, juicy, dense, powerful, weighty and spicy. Warming, full bodied wines with concentrated ripe fruity flavours.

3 Easy Steps

1. Visit us at WSET's Hub to take our short style-quiz. (See floor plan on the back.)
2. We will then reveal your style match with a two-letter Wine Personality Profiling Code and provide a fun photo opportunity.
3. Every bottle at the show has been labelled with a code so you can instantly recognise if it's your kind of wine.

Tap into a world of wine knowledge

Does talking wine make you nervous? A WSET course can equip you with the knowledge and skills to 'talk the talk' and make confident wine choices in shops and restaurants. From beginner to Diploma level, there's a course to suit everyone.

The WSET's flagship school is based in London Bridge and we have over 150 course providers around the UK. **By completing the quiz people will automatically be entered in to the competition to win a wine course worth £150!**

WINE LIVE

Here at Laithwaite's Live you can sample more from the world of wines, beers and spirits in one day than you might otherwise do in a whole year! No wonder we love hosting it just as much as you guys love attending. So get stuck in, there's a whole world in this room for you to discover. To help you get round and cross the finish line in style we have provided spittoons for you; don't be afraid to use them. That would be my Top Tip ... here are a few more to help you too.

Cheers!

Tom

Tom's Top Tasting Tips

Say hello, *bonjour, ciao, hola!* and make a winemaker's day

Have a chat. Find out about the wines you try (it makes them taste even better!). Our winemakers have come a long way and they'd love to know what you think.

Discover your Wine Personality

Take 5 minutes at the WSET hub and we will determine your wine personality profile. It will help you spot new favourites, more quickly and easily.

Don't be afraid to ask

We're all here to help. If you have questions, don't hold back. Ask a winemaker, a wine advisor or me, your host, Tom Laithwaite.

Cleanse the palate, nibble and snack

After a few wines, especially reds, your taste buds need refreshing. Have a little water, eat a water biscuit provided ... or drop by our wonderful food stalls.

Note and vote

Nothing worse than forgetting the name of that wine you really, really liked. Make a note and vote for your Wine of the Show at the voting barrels.
